

Saguaro Baseball Players and Families:

Welcome to the Saguaro Baseball 2012 season! With this being my eighth year at Saguaro as the Head Baseball Coach, I wanted to thank you all for your support and for making Saguaro Baseball the premier program in Arizona. I look forward to getting to know all of you as the season progresses and to working with your son's at all level's as they make their way through the program over the next several years.

This has been a year of excitement and it has only just begun. We are the reigning Back to Back Arizona State Champions and ranked nationally in the top 15 in every major ranking! Our goal is to be playing straight through until the third week in May and three-peating as State Champions.

The focus of the 2012 season will be to create a focused and dedicated team that can work together through adversity, play with pride, self respect and determination. Of course, winning is also high on the list but most importantly, I look forward to watching these kids grow as students and athletes.

I have been fortunate enough to be able to assemble an outstanding coaching staff at all levels which is critical to the success of any strong program. I encourage you all to get out to as many games as possible this season and to join the Diamond Club to help support the baseball program.

Finally, I want to thank each of you for putting your trust in me, allowing me to run your baseball program and to work with your kids at such an impressionable time in their lives. Having coached at the high school level for many years, I am excited to continue building a solid and consistent program.

Let's have a great season – Go Cats!

Coach Ryan Dyer
Head Coach – Saguaro Baseball
