

SUPPORT SABERCAT BASEBALL

The Saguaro Diamond Club is a non-profit support organization dedicated to the welfare of the baseball program at Saguaro High School. Staffed by volunteer parents, the club assists in fundraising, off season activities, tournament administration and serve as liaison to the Scottsdale Unified School District. We support the coaching staff in our collective goal to provide the best possible experience for our student athletes. We are looking for 100% participation from our baseball families.
